Housing

Legalization of foreigners in the Ukrainian army

Reform of the veteran social protection system

Rehabilitation

Medical Assistance

Veteran and dependants' support

Our Achievements

1

Free legal aid for
30 000+ combat veterans

2

36 informational leaflets
on veteran social and legal support
(www.legal100.org.ua)

3

Printed **95 500**
leaflets for military units,
hospitals and volunteers

4

Pro bono legal aid
project with 114
lawyers participating

5

Legislative reform of combat
veteran status procedures and
improvement of service conditions

6

Developed **comprehensive
information leaflet**
upon request of the Cabinet of
Ministers of Ukraine analysing all
veteran social rights

Activity Focus

Increase of **legal awareness and advocacy** for veteran rights

Individual **legal support for veterans** and their families

Hotline consultations and real life advice

Distribution of **leaflets** in military units, hospitals and through partner organizations

Legislation reforms and unification of legal approaches to veteran rights

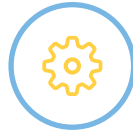

Development of **local NGOs and volunteer** projects

How we work

Inform veterans about their rights and social guarantees and explain how to use them

Create information channels for communicating issues and challenges veterans face on a daily basis

Provide veterans with qualified legal support

Analyze veteran social and legal guarantees, **classify** problems and **formulate** solutions

Coordinate volunteer initiatives and individual volunteers to jointly address issues of social welfare for veterans and active servicemen

Involve local communities, professional lawyer associations and law students in veteran support projects

Future Development

1

Reform of the veteran social benefits system in Ukraine

2

Development of an all-Ukrainian legal aid network to help NGOs assisting veterans

3

Legal support to veteran projects
